Recipe Instructions

This recipe got its name because it's cheap, easy, and filling so it's perfect for college students. My Mom discovered this recipe while in college and would make it for me all the time while I was growing up. It's delicious and has been a favorite at every potluck and Friendsgiving I've brought it to (it's also vegetarian friendly)

Cook Broccoli and Rice in the microwave and set aside separately

Now In a big bowl, put in sour cream, the cream of potato soup, and 2 small cans of the Ortega chili. Mix, then fold in the cooked broccoli and add a little black pepper.

Spray the bottom of your casserole pan with non-stick cooking spray and put in the cooked rice. Make sure to layer the rice base evenly at the bottom. Then pour all the contents of the bowl on top of the rice evenly.

Sprinkle the cheese on top and put it in an oven at 350 degrees for 30 minutes

Take out of the oven and sprinkle crushed Doritos on top.

Put it in the oven for 5 more minutes.

Take out, serve, and enjoy!
